Abstract
<p>This document presents the template for the topics descriptions to be included in the texts of the calls to be launched within the ACTTiVate project. There will be four topics, one for each technology transfer destination sector. These topic descriptions will be written by the ACTTiVate partners in Deliverble “D2.6 - Topics description for calls for proposals - draft version” and will provide technical overview information about what is expected from the candidate proposals.</p>
